

Parley's Crossing and Trail Extension at I-215

Project Description: **Enhancement project on State system, construction**

This project is a partnership between local government, Salt Lake City, Salt Lake County and UDOT, with UDOT providing oversight because federal funds are incorporated in the project budget. The project is an extension of the Bonneville Shoreline Trail connecting the trail on the east side of I-215 to Parley's Historic Nature Park on the west side of the freeway and providing the first link to the Jordan Trail System.

Total Project Budget: **Approx. \$2.1 million (Commission approved amount)**

Anticipated Schedule: **This project is scheduled for construction during the 2006 construction year.**

NOTE: Schedule information listed above is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.
